

General Conditions for Use:

SHOWCASE SITE WWW.STARBLOCK-SCREWS.COM
OCTOBER 2015

The company NORAIL (hereafter "*the Editor*") edits a showcase site www.starblock-screws.com (hereafter, the "site").

The present General Conditions for Use (hereafter "*GCU*»), subject to French law, are designed to govern the use of the site.

Accessing the Editor's site, at the following URL address www.starblock-screws.com, entails, by right, the full and complete acceptance of the GCU by the user of the site.

1- Intellectual property

➤ Literary and artistic property:

The company GROUPE C.D.E. BLANGIS, of which the company NORAIL is a subsidiary, is the owner of all the intellectual property rights relating to this site.

Access to the site confers on the user no rights to the intellectual property contained therein, which remain the exclusive property of GROUPE C.D.E. BLANGIS.

In particular, the following in relation to intellectual property are protected under French and international law:

- The graphic content (logo, font sets, code colours, Editorial content, choice and positioning of illustrations);
- The navigational aspect (all functionality allowing the user to browse the site);
- The entire presentation of the site.

In conformity with Article L122-4 of the Code on Intellectual Property, any use not previously authorised by GROUPE C.D.E. BLANGIS, in any way whatsoever, of all or part of the site may give rise to appropriate action, in particular, legal action for infringement.

➤ Trademark Rights:

STARBLOCK® is a trademark registered by the Editor with the Institut National de la Propriété Industrielle, under the number 3168399.

2- Hypertext links

The site may contain hypertext links to other sites on the Internet. The links to other sites lead users to leave the site. The Editor declines all responsibility relative to the contents of these other sites and may in no way be held responsible for any use to which they may be put by the users.

A link may be set up to the site's home page without express authorisation of the Editor. No prior authorisation or request for information may be required of the Editor in regard to a third party site who wishes to establish a link with the Editor's site.

However, the site may be displayed in a new window of the navigator.

However, the Editor reserves the right to require the suppression of a link considered in nonconformity with the goal of the site or if the said link arises from a deliberate and malicious act, undertaken with the full knowledge of those responsible for the said site.

Finally, any creation of a hypertext link of the type "*embedded*" or recourse to "*framing*" or to "*inline linking*", amongst others, requires the prior express authorisation of the Editor.

3- The Editor's Responsibility

The information and/or documents contained on this site may contain technical inaccuracies and typographical errors.

The Editor reserves the right to correct them, as soon as errors are brought to their attention.

The Editor may under no circumstances be held accountable for any damages of whatever nature arising from the interpretation or use of the information and/or documents available on this site.

4- Access to the site

The Editor undertakes to use their best efforts to make and maintain accessible all the services available on this site.

In this regard, the Editor has no obligation towards the user as to the means used, our responsibility may under no circumstances be invoked in the following cases:

- momentary interruptions lasting several minutes for the updating of certain files;
- functional difficulties or momentary interruptions of these services outside of our control, particularly in the case of interruptions to electrical services or telecommunications;
- momentary interruptions of service necessary to their evolution or maintenance;
- failure or dysfunction of the Internet in the transmission of messages or documents.

5- Modification of the GCU

The site's GCU, defined herewith, were placed online on October 29th, 2015. The Editor reserves the right to modify the GCU at any time and without prior notice.

Last update: October 2015
